

Coversheet for mapping individual CiPs

This document is an example to be used for guidance only

We recommend that you include a cover sheet for each CiP in your evidence bundle. This makes your evidence easy to follow and you can use it to highlight where you would like the evaluators to cross-reference other evidence elsewhere in your bundle.

Example: CiP 1

File Name	Content	Page Number	Cross reference to CiP
Trust Course – XXX	Facilitation of XXX Course at Trust	08	
Protocol	Participation in development of protocol at Trust	20	CiP 14
MSF	Colleague feedback	05	CiP 10
Multiple Consultant Report	MCR	04	CiP 11

Example: CiP 15

File Name	Content	Page Number	Cross reference to CiP
Case 1	Elderly patient with cognitive issues	08	CiP 10
Case 2	Elderly patient with severe mobility issues	20	CiP 14
Case 3	Patient with hearing issues	05	CiP 10
Case 4	Patient whose first language is not English	04	CiP 11
