

Changing your e-portfolio password

Follow these steps to securely update the password for your e-portfolio account.

1 From your dashboard click "View profile"

The screenshot shows the e-portfolio dashboard. The 'Profile' section is highlighted, and the 'View profile' button is circled in orange. The profile information for Kara Thrace (Training Acct Only) is visible, including her role as Clinical Oncology Global Collaboration Pathway, Assessor, and her current information (Specialty: Clinical oncology, 19 Feb, 2026 - 19 Feb, 2056).

2 Click "Account security"

The screenshot shows the e-portfolio profile page for Kara Thrace (Training Acct Only). The 'Account security' button is highlighted in orange. The page displays various sections including Login information, Details, Information, and an Audit log. The Audit log shows a recent entry: 'Louise Leon-Andrews Credential password updated' on 20 Mar, 2026 9:09.

3 Click "Change password"

4 Click "Authorise"

5 Enter your current password and click "Submit".

The screenshot shows the 'Account security' page in the 'rivr/advance' dashboard. The page title is 'Account security'. Below the title, it says 'This is how you currently login to rivr/advance'. The username is 'kara-thrace'. There is a 'Change password' button. A modal window is open with the title 'rivr/advance' and the text 'Confirm your password to continue'. It has a 'Password' input field with a placeholder 'Please fill in this field.' and a 'Submit' button.

6 Enter your new password and click "Change"

The screenshot shows the 'Account security' page in the 'rivr/advance' dashboard. The page title is 'Account security'. Below the title, it says 'This is how you currently login to rivr/advance. Make sure you are up to date.' The username is 'kara-thrace'. There is a 'Change password' button. A modal window is open with the title 'Change Password'. It has a 'New Password*' input field with a placeholder '.....'. Below it, it says 'Password strength: Strong' with a green progress bar. The requirements are: 'At least 12 characters', 'At least one lowercase letter', 'At least one uppercase letter', 'At least one number', and 'At least one special character'. There is a 'Re-type New Password*' input field with a placeholder '.....' and a toggle icon. At the bottom, there are 'Change' and 'Cancel' buttons.

7 Your password will now be updated.
