

RCR Pre-approved Meetings

Some meetings are granted 'pre-approved for CPD' status by the RCR. This applies to the following categories of meetings:

a) International Meetings

CPD credits can be earned by attendance at events accredited externally by organisations such as:

- The European Accreditation Council for Continuing Medical Education (EACCME: www.eaccme.eu) of the European Union of Medical Specialties (UEMS)
- American Medical Association (AMA)
- National professional authorities

An attendance certificate from the event organiser giving the title, date and location of the event, the name of the participant and the number of CPD credits achieved (including the name of the awarding body) should be retained.

b) Externally Accredited UK Meetings

The RCR recognises CPD credits awarded by other Medical Royal Colleges, Faculties and similar accrediting organisations. Meetings accredited by these organisations do not require additional accreditation by the RCR.
