Date submitted	
Contact email address	c/o victoria_auton@rcr.ac.uk

This response has been produced with comments from the British Society of Breast Radiology.

Section Title	Page	Comments
Appendix 1	26	Typo error for defining surgical benign biopsy
Appendix 1	27	Invasive cancer – duct wall rather than cell wall
Appendix 1	27	Non invasive - duct wall rather than cell wall
Outcome standards.	9	We do not understand this. The standards which are being measured aren't just process standards, as the section above implies. Surely things like SDRs are outcome standards?
	9, 20, 24	ABS is the Association of Breast Surgery, not Surgeons.
Equality impact	11	socioeconomic typo
Standard 1	12	two weeks' notice typo.
Standard 2	12	bilateral typo.
