

2018 surveillance – [Metastatic spinal cord compression in adults: risk assessment, diagnosis and management](#) (2008) NICE guideline CG75

Stakeholder consultation comments form - proposal ‘not to update’

Consultation on the proposal ‘not to update’ opens at: 9am, Monday 12 November 2018

Comments on proposal to be submitted: no later than 5pm, Friday 23 November 2018

<p>Please enter the name of your registered stakeholder or respondent organisation below.</p> <p>Please use this form for submitting your comments to NICE.</p> <ol style="list-style-type: none"> Please put each new comment in a new row. Please note – we cannot accept comments forms with attachments such as research articles, letters or leaflets. If we receive forms with attachments we will return them without reading the comments. If you resubmit the comments on a form without attachments, this must be by the consultation deadline. If you wish to draw our attention to published studies, please supply the full reference. If you’re commenting for an organisation, your organisation needs to be registered as a stakeholder. <p>Not eligible? Contact the registered stakeholder organisation that most closely represents your interests and pass your comments to them.</p> <p>We can accept comments from individuals. These will be considered, but you won’t get a formal response and they won’t be posted on the NICE website. Wherever possible we encourage you to submit your comments through a registered stakeholder organisation.</p>	
<p>Organisation name – Stakeholder or respondent (if you are commenting as an individual rather than a registered stakeholder or respondent organisation, please leave blank):</p>	<p>The Royal College of Radiologists</p>
<p>Disclosure Please disclose whether the organisation has any past or current, direct or indirect links to, or receives funding from, the tobacco industry.</p>	<p>N/A</p>
<p>Name of commentator:</p>	<p>Emma Cooper</p>

[Developing NICE guidelines: the manual](#) gives an overview of the processes used in surveillance reviews of NICE clinical guidelines.

ID	Questions	Overall response yes / no	Comments Please insert each new comment in a new row
1	Do you agree with the proposal not to update the guideline?	Yes	
2	Do you have any comments on areas excluded from the scope of the guideline?	Yes	The RCR is pleased to note that NICE will be regularly checking the publication status of 'Single fraction versus multifraction radiotherapy for patients with metastatic spinal cord compression' and will evaluate the impact of the results on the current recommendations as quickly as possible.
3	Do you have any comments on equalities issues?	No	

Please email this form to: surveillance@nice.org.uk

Closing date: 5pm, Friday 23 November 2018

PLEASE NOTE:

NICE reserves the right to summarise and edit comments received during consultations, or not to publish them at all, if NICE's reasonable opinion is that the comments are voluminous, publication would be unlawful or publication would be otherwise inappropriate.
