

Time	Lecture stream 1	Lecture stream 2	Lecture stream 3	Lecture stream 4: oncology	Stream 5: workshops	Stream 6: interactive workshops
08:45–10:00	Registration					
10:00–11:30	<p><b>Musculoskeletal (MSK) upper limb</b> Chair: Dr Hifz-ur-Rahman Aniq</p> <p><b>Shoulder: rotator cuff pathologies</b> Dr Robert Campbell, The Royal Liverpool and Broadgreen University Hospitals NHS Trust</p> <p><b>Shoulder: long head of biceps</b> (LHB) and superior labral lesions Dr Hifz-ur-Rahman Aniq, The Royal Liverpool and Broadgreen University Hospitals NHS Trust</p> <p><b>Shoulder: instability</b> Dr Andrew Dunn, The Royal Liverpool and Broadgreen University Hospitals NHS Trust</p>	<p><b>How I evaluate: chest and abdomen</b> Chairs: Dr Andy Lowe, Dr Ian Zealley and Dr Anthony Edey</p> <p><b>How I evaluate small hypervascular liver lesions</b> Dr Benedict Simpson, Norfolk and Norwich University Hospitals NHS Foundation Trust</p> <p><b>How I evaluate pancreatic cystic lesions</b> Dr Ashely Roberts, Cardiff and Vale University Health Board</p> <p><b>How I evaluate focal thickening of the gall bladder</b> Dr Antony Higginson, Portsmouth Hospitals NHS Trust</p> <p><b>How I evaluate thickened small bowel</b> Dr Ian Zealley, NHS Tayside, Dundee</p> <p><b>How I evaluate dilated renal collecting systems</b> Dr Julian Keanie, NHS Lothian, Edinburgh</p> <p><b>How I evaluate the misty mesentery</b> Professor Michael Maher, University College Cork, Ireland</p>	<p><b>Paediatric non-accidental injury (NAI)</b> Chair: Dr Owen Arthurs</p> <p><b>Body imaging</b></p> <p><b>Skeletal injuries in NAI</b> Dr Kath Halliday, Nottingham University Hospitals NHS Trust</p> <p><b>Differential diagnosis of skeletal injuries</b> Dr Alistair Calder, Great Ormond Street Hospital for Children NHS Foundation Trust, London</p> <p><b>NAI – what have we learnt from post-mortem imaging?</b> Dr Owen Arthurs, Great Ormond Street Hospital for Children NHS Foundation Trust, London</p>	<p><b>Controversies in the management of patients with lung cancer: lectures and interactive cases</b> Chair: Professor Corinne Faivre-Finn</p> <p><i>This session comprises lectures and case discussions. Delegates are invited to submit interesting and difficult cases to present during this session. Please use the presentation template (5 slides, 7 minutes) found on our website (<a href="http://www.rcr.ac.uk/rcr17">www.rcr.ac.uk/rcr17</a>) and email presentations to Ahmed Salem (<a href="mailto:ahmed.salem@manchester.ac.uk">ahmed.salem@manchester.ac.uk</a>) no later than Thursday 31 August 2017.</i></p> <p><b>Early stage of lung cancer</b> Dr Kevin Franks, Leeds Teaching Hospitals NHS Trust</p> <p><b>Early stage of lung cancer discussion</b></p> <p><b>Locally advanced NSCLC and small cell lung cancer</b> Professor Corinne Faivre-Finn, Professor of Thoracic Radiation Oncology, The Christie NHS Foundation Trust, Manchester</p> <p><b>Locally advanced non-small cell lung cancer (NSCLC) and small cell lung cancer (SCLC) case discussion</b></p>	<p><b>British Society of Head and Neck Imaging (BSHNI): Head and neck MDT survival guide</b> Organiser: Dr Salam Qureshi</p> <p><b>Up to date staging</b> Dr Rhian Rhys, Cwm Taf University Health Board, Wales</p> <p><b>Nuclear medicine / positron emission tomography (PET) in the head and neck MDT</b> Dr Sriram Vaidyanathan, Leeds Teaching Hospital NHS Trust</p> <p><b>Human papilloma virus (HPV) and the pathologists perspective</b> Dr Anshuman Chaturvedi, University Hospital of South Manchester NHS Foundation Trust</p>	<p><b>British Society of Cardiovascular Imaging (BSCI): What has cardiac computerised tomography (CT) taught us about reporting on the heart in non-gated thoracic CT?</b> Organiser: Dr James Shambrook</p> <p>This is an interactive workshop reviewing cardiac pathology on non-gated thoracic CT, using techniques developed from electrocardiogram (ECG) gated cardiac CT.</p> <p><i>Faculty includes:</i> Dr Giles Roditi, NHS Greater Glasgow and Clyde</p>
11:30–12:00	Coffee					

Excellent range of topics covered from which I have learnt a great deal and will use in my clinical practice.

Time	Lecture stream 1	Lecture stream 2	Lecture stream 3	Lecture stream 4: oncology	Stream 5: workshops	Stream 6: interactive workshops
12:00–13:00	<p><b>Musculoskeletal (MSK) upper limb</b> (continued)</p> <p><b>Imaging of elbow joint</b> Dr Abhishek Jain, The Royal Liverpool and Broadgreen University Hospitals NHS Trust</p> <p><b>Imaging of wrist joint</b> Dr Alpesh Mistry, The Royal Liverpool and Broadgreen University Hospitals NHS Trust</p>	<p><b>How I evaluate: chest and abdomen</b> (continued)</p> <p><b>How I evaluate splenic lesions</b> Dr Andy Lowe, Taunton and Somerset NHS Foundation Trust</p> <p><b>How I evaluate lung lesions for CT guided biopsy</b> Dr Sam Hare, Royal Free London NHS Trust</p> <p><b>How I evaluate anterior mediastinal masses</b> Dr Rachel Benamore, Oxford University Hospital NHS Foundation Trust</p> <p><b>How I evaluate the airways</b> Dr Judith Babar, Cambridge University Hospitals NHS Foundation Trust</p>	<p><b>Paediatric non-accidental injury (NAI)</b> (continued)</p> <p><b>Neuroimaging</b></p> <p><b>Neuroimaging in NAI and controversies</b> Dr Neil Stoodley, North Bristol NHS Trust</p> <p><b>NAI: a neurosurgeon's perspective</b> Mr Peter Richards, Consultant Paediatric Neurosurgeon, Oxford University Hospital NHS Foundation Trust</p>	<p><b>Controversies in the management of patients with lung cancer: lectures and interactive cases</b> (continued)</p> <p><b>Stage 4 lung cancer</b> Dr Fiona McDonald, The Royal Marsden NHS Foundation Trust, Sutton</p> <p><b>Stage 4 lung cancer case discussion</b></p>	<p><b>British Society of Head and Neck Imaging (BSHNI): Head and neck MDT survival guide</b> (continued)</p> <p><b>The head and neck MDT - the surgeons perspective</b> Mr Sean Loughran, Consultant Head and Neck Surgeon, Central Manchester University Hospitals NHS Foundation Trust</p> <p><b>The thyroid MDT - is it really cancer?</b> Dr Yatin Jain, The Christie NHS Foundation Trust, Manchester</p>	<p><b>British Society of Cardiovascular Imaging (BSCI): What has cardiac computerised tomography (CT) taught us about reporting on the heart in non-gated thoracic CT?</b> (continued)</p>
13:00–14:15	Lunch					
13:15–14:00	 <p><b>Bracco lunchtime symposium: MRI - Safety "versus" efficacy revisited</b> Dr Emanuel Kanal, MD, FRCR, FRCR, FRCR, FRCR, Professor of Radiology and Neuroradiology, Director of Magnetic Resonance (MR) Services, University of Pittsburgh</p>					
14:15–15:00	<p><b>Plenary lecture</b> Dame Mary Archer, Chairman, The Science Museum Group</p>					
15:10–16:10	<p><b>MSK lower limb</b> Chair: Dr Dhiren Shah</p> <p><b>Imaging of chronic hip pain</b> Dr Denis Remedios, London North West Healthcare NHS Trust</p> <p><b>Atypical femoral fractures</b> Dr Dhiren Shah, London North West Healthcare NHS Trust</p> <p><b>Anterior knee pain</b> Dr Shezad Hussain, Royal Berkshire Hospital NHS Foundation Trust</p>	<p><b>Informatics</b> Chair: Dr Neelam Dugar</p> <p><b>PACS replacement – what radiologists need to specify</b> Dr Rizwan Malik, Bolton NHS Foundation Trust</p> <p><b>Home reporting – understanding the technology and agreeing a contract with your employer</b> Dr Richard Harries, Northern Lincolnshire and Goole NHS Foundation Trust</p> <p><b>Reporting within radiology networks – understanding the pros and cons</b> Dr Nick Hollings, Royal Cornwall Hospitals NHS Trust</p>	<p><b>Vascular imaging</b> Chair: Dr Teik Choon See</p> <p><b>Gastrointestinal haemorrhage</b> Dr TC See, Cambridge University Hospitals NHS Foundation Trust</p> <p><b>Traumatic haemorrhage</b> Dr Ounali Jaffer, Barts Health NHS Trust, London</p> <p><b>Carotid arteries</b> Dr Tilak Das, Cambridge University Hospitals NHS Foundation Trust</p>	<p><b>Lung cancer radiotherapy outlining workshop</b> Led by: Professor Corinne Fivre-Finn, Dr Kevin Franks, Dr Ahmed Salem and Dr Fiona McDonald</p> <p><i>Please note that this is an outlining workshop using the Falcon Educase platform and will involve pre-registration and a small amount of work to be done in advance of the meeting, so please do ensure this session is selected when registering for RCR17. Delegates must bring their own laptops.</i></p> <p><b>Stereotactic ablative radiotherapy (SABR): central and peripheral</b></p>	<p><b>British Society of Urogenital Radiology (BSUR): Workshop on infertility and prostate imaging</b> Organiser: Dr Jane Belfield</p> <p><b>Imaging of ovarian function</b> Dr Mike Weston, Leeds Teaching Hospital NHS Trust</p> <p><b>Recanalisation of the fallopian tubes</b> Dr Jonathan Richenberg, Brighton and Sussex University Hospitals NHS Trust</p> <p><b>Male fertility issues</b> Dr Richard Russell, Liverpool Women's NHS Foundation Trust</p>	<p><b>British Society of Thoracic Imaging workshop: Chronic thromboembolic disease (CTEPH), diagnosis and micromanagement</b> Organiser: Dr Graham Robinson</p> <p>This interactive session will touch on the clinical importance of CTEPH, its diagnosis and management, with an emphasis of the CT findings on standard CT pulmonary angiograms. Case studies will be reviewed from both a radiology and physician perspective.</p> <p><i>Faculty includes:</i> Dr Jay Suntharalingam, Consultant Respiratory Physician, Royal United Hospitals Bath NHS Foundation Trust</p>

Time	Lecture stream 1	Lecture stream 2	Lecture stream 3	Lecture stream 4: oncology	Stream 5: workshops	Stream 6: interactive workshops
16:10-16:40	Coffee					
16:40-18:10	<p><b>MSK lower limb</b> (continued)</p> <p><b>Common patterns of knee injury</b> Dr David McKean, Buckinghamshire Hospitals NHS Trust</p> <p><b>What the knee surgeon wants from imaging</b> Dr Ghias Bhattee, London North West Healthcare NHS Trust</p> <p><b>MSK intervention of the lower limb – tips and tricks</b> Dr James Teh, Oxford University Hospital NHS Foundation Trust</p> <p><b>The chronic post-traumatic ankle</b> Dr Chintu Gademsetty, Royal Surrey County Hospital NHS Foundation Trust</p> <p><b>Mid-foot and forefoot pain</b> Dr Ramy Mansour, Oxford University Hospitals NHS Foundation Trust</p>	<p><b>RCR meets Liverpool</b> Chair: Dr Andy Smethurst</p> <p><b>Using telemedicine to reduce global healthcare inequality and promote peace</b> Dr Waheed Arian PTLLS, BA, MA, MBBS, Clinical Radiology Registrar, Director Arian Teleheal International Telemedicine Charitable Trust, Aintree University Hospital</p> <p><b>The many facets of a modern interventional radiology venous practice</b> Dr Tze Chan, The Royal Liverpool and Broadgreen University Hospitals NHS Trust</p> <p><b>Challenges in professional sports imaging</b> Dr Andrew Dunn, The Royal Liverpool and Broadgreen University Hospitals NHS Trust</p> <p><b>Setting up a collaborative on call hub in Mersey – how we did it</b> Dr John Curtis, Aintree University Hospital NHS Trust, Liverpool and Dr Peter Rowlands, Royal Liverpool and Broadgreen University Hospitals NHS Trust</p>	<p><b>Vascular imaging</b> (continued)</p> <p><b>Acute aortic syndrome</b> Dr Trevor Cleveland, Sheffield Vascular Institute, Sheffield Teaching Hospitals NHS Foundation Trust</p> <p><b>Pulmonary arteries</b> Dr Anu Balan, Barts Health NHS Trust, London</p> <p><b>Central venous imaging</b> Dr Nick Woodward, Royal Free London NHS Foundation Trust</p> <p><b>Peripheral vascular imaging</b> Dr Elizabeth O'Grady, Aintree University Hospital NHS Foundation Trust</p>	<p><b>Lung cancer radiotherapy outlining workshop</b> (continued)</p> <p><b>Locally advanced NSCLC and SCLC</b></p>	<p><b>British Society of Urogenital Radiology (BSUR): Workshop on infertility and prostate imaging</b> (continued)</p> <p><b>Multiparametric MRI prostate</b> Dr Phil Haslam, Newcastle upon Tyne Hospitals NHS Foundation Trust</p> <p><b>PSMA scanning</b> Professor Sobhan Vinjamuri, Royal Liverpool and Broadgreen University Hospitals NHS Trust</p> <p><b>Interactive uroradiology quiz</b> Dr Jane Belfield, Royal Liverpool and Broadgreen University Hospitals NHS Trust</p>	 <p><b>4Ways workshop: Teleradiology - beyond routine reporting, outsourced cardiac CT and MRI reporting</b></p> <p><b>Introducing outsourced cardiac CT and MRI imaging to the NHS. With the rapid increase in demand for these services, and the introduction of new National Institute of Care Excellence (NICE) guidelines, the NHS will be under greater pressure than ever to deliver.</b></p> <p>Speakers:</p> <p>Dr Francesca Pugliese, Reader and Consultant Cardiovascular Radiologist, Academic Lead for CT, Queen Mary University of London and Barts Health NHS Trust</p> <p>Dr Anna Herrey, Consultant Cardiologist, Imaging Governance Lead, Barts Health NHS Trust and Royal Free NHS Foundation Trust</p> <p>Dr Ben Timmis, Medical Director, 4ways Healthcare</p>
18:30-20:00	Drinks reception					

Everything is of a high standard, no space is left which required to be improved.
