North Wales Clinical Oncology Training Rotation

Why train in North Wales?

At work

- ✓ Small, dose knit team of 8 Clinical Oncologists and 4 medical Oncologists all committed to good training.
- ✓ 3 Clinical Oncology and 1 medical Oncology Speciality Trainees
- ✓ Purpose built Cancer Centre with state of the art radiotherapy equipment
- ✓ Close links with Palliative and Supportive Care and Medical Oncology
- ✓ Very active Clinical Trials Unit
- ✓ High scores in the GMC Trainee survey and protected teaching time (honest!)
- ✓ Training tailored to individual needs
- ✓ Training largely at NWCTC with approximately a year at Datterbridge Cancer Centre in ST5/6

Outside work

- ✓ Fabulous countryside with Snowdonia and the glorious North Wales coast at your doorstep.....think of walking, sailing, horse-riding
- ✓ Easy drives to historic Chester or vibrant, cosmopolitan Liverpool or Manchester
- ✓ London less than 3 hours by train
